**In the Matter of
Volunteer Peace Officer’s Dependents Fund Board:**

The Ohio legislature’s establishment (SB 11) of the Volunteer Peace Officers’ Dependents Fund (Fund) is to assist dependents of volunteer peace officers killed in the line of duty and to assist volunteer peace officers that become totally and permanently disabled as a result of a line of duty injury, which is contained in Ohio Revised Code (ORC) Chapter 143.

Each political subdivision with a police or sheriff’s department that employs volunteer peace officers will be made a member of the Fund and each Fund member must establish a “Volunteer Peace Officers’ Dependents Fund Board” to administer claims for the benefits from the Fund and will only meet to objectively verify eligibly that files for assistance. (This is not a county-wide board as each political subdivision with a policing agency must establish its own board.) ORC 143.01 (C) defines “volunteer peace officer” as any person who is employed as a police officer, sheriff’s deputy, constable, or deputy marshal in a part-time, reserve, or volunteer capacity, is not a member of the public employee’s retirement system, Ohio police and fire pension fund, state highway patrol retirement system, or the Cincinnati retirement system.

A board must have the following members: two members elected by the commissioners, two members elected by the volunteer peace officers of the sheriff’s department, and one member elected by the

other four members which cannot be a public employee, member of the legislative authority, or peace officer for that department; must be a citizen registered to vote in that area.) One of the five elected board members must be identified as chairperson and another as the secretary by the members of the board.

Board members must be named by April 22nd, and initial terms last one year. Each board's secretary must submit all of the following information to the Ohio Department of Commerce, which has been tasked with administering this fund: name and address of board members, names of the board's chairperson and secretary, and a certificate indicating the current assessed property valuation of the Fund member.

Each Fund member pays an initial premium of \$300-\$500, which is based on the member's assessed property valuation (ORC 143.06). Additional premiums may be required. The benefit amounts are (1) \$1,000 award to a surviving spouse, plus \$300/month; (2) \$125/month to the parent or guardian of dependent children; (3) \$300/month for disabled volunteer peace officers.

Sheriff Matthew Hafey and Brad Washburn, County Auditor, have agreed to be appointed by the commissioners to the board. Commissioner Gary Scherer offered the motion, seconded by Commissioner Harold Henson, to appoint the following members:

Sheriff Matthew Hafey – One year term expiring February 16, 2027

Brad Washburn, Auditor – One year term expiring February 16, 2027

In the Matter of
Pickaway County Airport:

Tim Wilson, Jenna Wood and Jay Elsea, Pickaway County Airport Board, met with the Commissioners to give an update about the airport. Mr. Wilson spoke about the ODOT Grant for the Fuel Tanks. FAA allowed the location of the fuel tanks to be closer to the building and allowed them to keep the old fuel tanks until work is completed for the new tanks to continue to have fuel there. Mr. Wilson said that the new 16 Bay T hangar is expected to be completed by the end of May, and the first of June. The concrete work has been completed, and the site work is fairly completed. The T hangers are 100% occupied and already have deposits for the new T hanger.

Mr. Wilson said the fly-in has been postponed this year, due to the construction. They are working with Anduril for next year. They also spoke to Anduril about using our runways for training. Mr. Wilson stated that any opportunity available would like to be a part of. Still in need of a vehicle for people flying in for meetings.
